On My Terms: From the Grassroots to the Corridors of Power

By Sharad Pawar

Speaking Tigers, New Delhi, 2015. Hardcover. Book Condition: New. 312pp. Sharad Pawar is one of India’s key public figures. Through his five-decade-long career, during which he has never lost an election, he has served as chief minister of Maharashtra four times and as India’s defence minister and minister for agriculture. On two occasions he came close to becoming the country’s prime minister. He has often bucked the trend, preferring policy and pragmatism over populism, and won admiration for his administrative acumen and consensual politics. Eyewitness at the highest levels to India’s and Maharashtra’s history since the 1960s, he shares in this memoir his reflections on coalition politics, the loss of democracy in the Congress Party (with which he began his political life), the state of agriculture and industry in the country, and the absolute necessity of social harmony and a liberal, inclusive ethos for India’s future. As he does this, he also gives us rare information about many crises and turning points: Emergency and its impact on national and regional politics; the fall of the Chandrashekhar government in 1991; the signing of the Punjab Accord between Rajiv Gandhi and H.S. Longowal; the Babri Masjid demolition; the Mumbai bomb blasts of 1993;...

The book has been released by Prime Minister Narendra Modi on 10 December 2015. The book was released on the 75th birthday of Pawar, who is the Maratha strongman and the leader of Nationalist Congress Party (NCP). A strong will power alone carries you through when your physical condition is fragile. Donâ€™t mope or worry, donâ€™t dither, take the medicines on time and concentrate solely on the work. Is the strategy Mr. Sharad Pawar followed during his battle with mouth cancer. It must have been extremely painful, awkward and depressing but he has battled it successfully by sheer will power. A must read chapter from the book, I must say! Politics is not just being clever and Administration is not just hard working, both require astuteness.
