Diwali is one of the most celebrated holidays in India. Even though there are many religions in India, almost everyone celebrates the holiday as a reminder that good triumphs over evil. Celebrate Diwali brings to life the holiday's traditions, food, and celebration rituals. The informative back matter includes Diwali recipes, a glossary, a Diwali card game, a map, and a resource list of books and websites. Also included is a note to parents and teachers from the book's consultant, Dr. Vasudha Narayanan.
