
SONS AND LOVERS by D.H. Lawrence. This intensely autobiographical novel recounts the story of Paul Morel, a young artist growing to manhood in a British working-class family rife with conflict. The author’s vivid evocation of life in a Nottingham mining village in the years before the First World War and his depiction of the all-consuming nature of possessive love and sexual attraction make this one of Lawrence’s most powerful novels. The New York Times Book Review praised it as a novel that will curl your toes.
