By pat beauchamp (first aid nursing yeomanry). With an introduction by major-general h.n. thompson, k.C.M.g, C.b., D.s.o. Fanny goes to war. Chapter I. in camp before the war.
The First Aid Nursing Yeomanry was founded in 1910 and now numbers roughly about four hundred voluntary members. It was originally intended to supplement the R.A.M.C. in field work, stretcher bearing, ambulance driving, etc. & its duties being more or less embodied in the title. An essential point was that each member should be able to ride bareback or otherwise, as much difficulty had been found in transporting nurses from one place to another on the veldt in the South African War.
