Ruth Ozeki. MKing123 says: Are you a reader who reads a lot and therefore is not interested in drivel? And do you like complex, interesting women leads? If the answers to these two questions are yes, then this is an excellent book for you to read and/or listen too. I purchased this book on Audible and the author was also the reader. Fabulous. I love how her interpretation of her own work adds to one's understanding of what is occurring. Interestingly enough, at the end of the audio version, she cites footnotes and other items that are available in the written version but impossible to include. The history books will have to be totally rewritten when the dust finally settles. However, as a victory for the good guys is gaining ground rapidly the battle rages on and the Deep State swamp creatures are fighting to the death knowing they are doomed. This week we will not look deeply into the battle over the U.S. presidential election because that has been thoroughly covered elsewhere. We see the creation of the public health emergency and the proposed responses or remedies as Ordo ab Chao in Stealth State Capture at a global level. This is the pure military mind thinking and difficult for civilians to grasp because of the sheer scale and complexity of the theatre. An intelligence dossier and analysis has been sent to the Joint British and Irish Supreme Command of the Armed Forces, MI6 says. Those who can be bribed or seduced, discouraged or terrified, will be of no service in the Christian warfare. Those who set their affections on worldly treasures or worldly honors, will not push the battle against principalities and powers, and spiritual wickedness in high places. All who would be soldiers of the cross of Christ, must gird on the armor and prepare for conflict. Here we see the simple means by which character is often tested. Those who in a time of great peril were intent upon supplying their own wants, were not the men to be trusted in an emergency. The men of God’s choice were the few who would not permit their own wants to hinder them in the discharge of duty. Not only did they possess courage and self-control, but they were men of faith.
